

# MANAGER DEVELOPMENT PROGRAM

The Clear Direction Manager Development Program is an emotional intelligence-based program designed to develop your current and future people leaders.

Full program course for just **\$695!**

## FULLY CUSTOMIZED PROGRAM:

The Manager Development Program begins with a 15-minute **emotional intelligence assessment** which measures biases and clarity in thinking.

The assessment results are used to generate **custom leadership development program** focusing on the participant's strengths and blind spots.

It's a turn-key coaching program customized especially for the coaching participant and **led by a coach of your choice**, (e.g. an external HR Consultant, an internal training manager, or even the participant's direct manager.)

## Includes:

### Custom Leadership Development Report

The participant will receive a customized detailed Leadership Development Report describing their natural **strengths and blind spots** as they relate to leading, developing, and communicating with their teams.

### 13 eLessons

The participant will receive 13 eLessons, over the course of 6-months. These eLessons are emailed every two weeks and include **custom development tips and tactics** they can begin working on and implementing immediately.
